

Count to 10 with Penguin!

What You Need:

- Styrofoam cup
- Black permanent marker
- Scissors
- Black construction paper
- Orange construction paper or orange permanent marker
- Crayons or child markers
- Glue
- Fish Printable
- Numbers Printable
- Drinking straw

How to Create Your Penguin and Fish:

1. Color the Styrofoam cup with a black permanent marker except for the penguin's white belly. Also draw on the eyes.
2. Cut out "wings" from the black construction paper.
3. Glue the wings on.
4. Cut out a "beak" from the orange construction paper and glue it on your penguin OR draw a "beak" with the permanent marker.
5. Print the fish printable and numbers printable attached to this PDF.
6. Let your child color the fish and numbers.
7. Cut out the fish.
8. Laminate the fish and number printable if you desire.

How to Play the Game:

1. Place the penguin on its belly at the beginning of the numbers printable.
2. Your child will put the straw in his or her mouth and blow air through the straw. This will let the penguin toboggan down the number printable.
3. Whichever number the penguin stops at, is the number of fish your child will pretend to feed the penguin.
4. Repeat steps 1 through 3!
