Print and laminate the following pages, so your child can repeat the activity with each number.

Your child will practice placing reindeer on sleds to the number that you request. You will need to cut out each reindeer. This is a one-to-one ratio, so one reindeer will go on each number.

1 2 3 4 5

6 7 8 9 10

11 12 13 14 15

16 17 18 19 20
